

continent to humans as a gift, and made it theirs to subdue and dominate. He commanded them to explore all the wonders and mysteries of *Aventuria*, resting not until they had discovered everything it had to offer. And even the

And so it came to pass that *FIVES*, after many journeys, reached the shores of a strange, undiscovered continent. *AVENTURIA* he named it, for it was full of adventure, challenges, and wonders, and to his joy, no mortal eye had seen this land before. Then did *FIVES*, ever full of wanderlust, lead his people to the vast shores of *Aventuria*. *FIVES* presented this new

Lord of the Horizon himself still wanders the lands of *Aventuria* today, as it holds so many secrets that even *FIVES* himself has not yet seen them all. Rejoice, ye heroes and brave adventurers, for countless discoveries still await! Follow in the footsteps of the Merry Wanderer, o bold and courageous disciples of *FIVES*, and your reward shall be great indeed!

This is my life's work, the labor of my journeys, illustrated after many decades, until the a faithful companion to travelers, adventurers, knowledge. - *Fiveslove* of Teremon, in after the Fall of many-towered Bosparan.

travels, and expeditions, faithfully recorded and strength left my hands. May this work prove friends of *FIVES*, and all who thirst for the holy halls of *FIVES*. Teremon, 1035 *FIVES* be with you.
